

ARTICULATION AGREEMENT
between
Herkimer County Community College and SUNY Polytechnic Institute

This agreement provides graduates of Herkimer County Community College's (HCCC) Associate of Applied Science (A.A.S.) degree program, with a transfer path to the Bachelor of Science (B.S.) degree at the State University of New York Polytechnic Institute (SUNY Poly). Degree path is as follows: **A.A.S. degree in Business: Accounting** to the **B.S. degree in Accounting**.

Objectives of the Agreement:

1. To guarantee admission of transfer students from HCCC who satisfy the criteria described in this agreement.
2. To attract qualified students to HCCC and SUNY Poly.
3. To provide specific information for transfer students who wish to pursue a baccalaureate degree.
4. To encourage academic coordination between HCCC and SUNY Poly.

Agreement:

1. SUNY Poly agrees to accept HCCC graduates from the A.A.S. degree stated above who meet the admissions criteria at their term of transfer for the B.S. degree indicated at SUNY Poly, which is currently a 2.75 GPA.
2. Students who have followed the Advisement Plan attached to this agreement will receive the agreed upon hours of transfer credit towards the hours required for the B.S. degree. Credits remaining to complete the identified B.S. degree will be available in partnership with HCCC and SUNY Poly.
3. Students will maximize transfer credit by following the attached Advisement Plan. Any deviation from the suggested electives outlined in the plans may affect transfer credits and time to B.S. degree completion.
4. Both HCCC and SUNY Poly agree to encourage qualified students to participate by providing information and assistance to prospective transfer students. HCCC will list the agreement in its college catalog and website, and make information available to advisors and students.
5. Both colleges may publicize the articulation in the appropriate college publications, bulletins and college websites.
6. The terms of the articulation will remain in effect until March 2023 or amended by mutual agreement; Advisement Plans will be reviewed annually and appropriate curriculum changes made do not affect the terms of this agreement. This agreement is effective upon signature.
